***This guide has been developed for families with young children to provide a broad understanding of resources available to them. The information provided in the guide is not exhaustive and does not cover all services. In no event will Oconee County First Steps be liable to anyone for any decision made or action taken by anyone in reliance upon information provided through this guide.*

GOALS of OCONEE COUNTY FIRST STEPS

- To support parents in strengthening their families and in promoting the development of their young children.
- To increase services that prevent major physical developmental and learning problems in children.
- To support high-quality preschool programs.
- To provide services to give children the necessary protection, nutrition, and health care.
- To encourage communities to focus collaboratively on support services for families and their young children.
