Tuesday, August 14, 2018 RSVP by August 7th	6:30pm 7:30pm	"Help Me Eat Healthy" Registered	Nutrition	1	A good place to begin sorting out the nutrition puzzle is to learn about the basics. Here we lay out the details on 5 nutrients that a growing body must have every day. The payoff? A child with strong bones and teeth, a well-regulated digestive system, oxygen-rich blood, and healthy nutritional habits the child can carry throughout life. Health nutrition is an important part of healthy brain development.	Lisa Fields Heath's Haven	St. Mark UMC Common's Room 616 Quincy Road, Seneca, SC 29678

Tuesday April 23, 2019 RSVP by April 16 th	6:30 pm 8:30 pm	"It Takes a Village. Troubled Parent-Child Interactions." Certified CE-PD-163921	Professional Development	2	In their daily work with parents and children, child care professionals have a unique window into families' strengths and challenges. Observing positive parent-child interactions, they may wonder how best to support warm and nurturing relationships. In witnessing troubled parent-child interactions, they may not be sure how best to help build family capacity, strengthen the connection between parent and child, and ensure the child's safety. This session presents strategies that child care professionals can use to support positive parenting and to intervene when providers witness a troubled interaction between parent and child.
