Childcare, an essential support for working parents, has been affected in many ways. Some programs have closed and will not re-open, others closed but are now ready to re-open for the new school year, and some have been open the whole time, but are looking at including new students for the new school year. This professional development session will highlight the best practices advisory from the Center for Disease Control, information from South Carolina Department of Social Services, and guidelines from SC Department of Health and Environmental Control. If you have specific questions that are not answered by this presentation, please contact your SC DSS Licensing Specialist.
